An **Update** is a one-time purchase of a license to use the latest release of The Professional Landlord®. It is available to customers with a license to an older version of the same product. Updates include an annual subscription.

Subscriptions renew annually and include access to the latest releases of The Professional Landlord® and access to Tech support. Annual subscriptions are to be renewed each year by the expiration date.

1 See separate cloud pricing for full details.

2 Pricing for a single database.

3 Subscriptions are to be renewed before the expiration date.

Price Changes:

Prices are subject to change without notice. Cloud users will be given at least 45 days notice of price increases.

Prices noted on this sheet are good through December 31, 2021.
