

Overview

Use <<Mailings, Edit Letters>>, to create letters. Late notice letters and any other letters you may want to send to owners, tenants or vendor can be created and stored.

The letters are printed through Mailings -- Notices, Owner Letters, Tenant Letters, Vendor Letters or Unit Letters. Late notice letters should always be printed from the Notices function. For specifics on notices see [Help Document R-385](#) Late Notice Letters.

They are printed using font size 10. If you want to use a Mail Merge to export fields to Microsoft Word or Open Office, where more formatting options are available, click here for the mail merge [Help Document R-291](#) Mail Merge.

Letter Body

{Letter Date}

Dear {Tenant Formal Salutation};

Our records show that you owe {Notice Balance Due} of which {Notice Balance Late} is past due. Full payment of {Notice Balance Late} must be received, together with the late charges, within 5 days from the date of this notice.

The mailing address is taken from the appropriate profile.

Return Address

Select from the Find List the return address format you want on the letter. It can be from the company profile, the management group profile, or not printed if using letterhead stock. You can also choose to use the Additional Letterhead Information entered in the company profile or management group profile. This note prints to the right of the return and mailing address information.

Do Not Print Return or Mailing Address

An X in this check box will prevent both the return address and the mailing address of the recipient from printing on the letter.

Letter Title

Whatever you enter in this field will print on the letter, centered, before the information entered in the letter body.

Substitutions

This box contains the text substitutions you can incorporate into the letter. Double click the substitution in this box and it will fill in the letter body at the position of the cursor.

Text substitutions that begin with the word "letter" will use the field from the appropriate profile.

For example, if you choose the text substitution letter.formal salutation, when you run letters from the Owner Letters function it will use the formal salutation from the Owner Profile, when you run letters from the Tenant Letters function it will use the formal salutation from the Tenant Profile.

Text substitutions that begin with the word "notice" will only be filled in when the letter is run through Mailings, Notice Letters.

Text substitutions that begin with the word "categories" refer to all the categories assigned to that particular Category tab in the profile. Those that begin with the word "category" refer to the specific category created under Setup, Categories.

Letter Body

Type the letter body in this section, including date and salutation if desired. Multiple page letters can be entered.

Spell check is active in the letter body. Right click on the underlined word to view the list of optional spellings.

Print Letters – Owners, Tenant, Vendors

Use this function to print letters to owners/tenants/vendors/units. The letters themselves are created in the Edit Letters function.

Letter

Select the letter you wish to use from the Find List.

Letter Date

Enter the date you wish to use in the body of the letter as a text substitution.

Restrict to

- The owner letters can be limited to a specific owner, property, property manager, or management group.
- Tenant letters can be limited to owners, tenants, property, property manager, management group.
- Vendor letters can be limited to vendors.
- Unit letters can be limited to unit, owner, property, property manager, or management group.
- **NOTE:** To create a letter to an owner using unit and tenant substitutions, use the Unit letter function. The owner substitutions are on the list preceded by the word "Majority".

Limit to Category

The letter can be limited to those owners and partnerships in the category selected here. Use the Find List to select the category you want to use.

Owner Letters

The screenshot shows the 'Owner Letters' tab selected. The form includes the following fields: 'Letter' (with a find list icon), 'Letter Date' (set to 2/1/2019), 'Restrict to' (with a find list icon and a dropdown arrow), 'Limit To Category' (with a find list icon), and 'Limit to Balance' (with a dropdown arrow, a second dropdown arrow, and a text box containing '\$0.00').

Limit to Balance

The close-up shows the 'Limit to Balance' dropdown menu open, listing 'Balance', 'Base Surplus', and 'Distribution Surplus'. To the right, there is a comparison dropdown set to 'Greater Than' and a text box with '\$0.00'.

You can limit an owner letter to partnerships or owners with:

<u>Field 1</u>	<u>Field 2</u>	<u>Amount</u>
Balance	Equal to	any dollar amount
Base Surplus	Not equal to	any amount
Distribution Surplus	Less than	
	Less than or equal to	
	Greater than	
	Greater than or equal to	

Use the Find List box to select your choice. If left blank the owner's balance will not be used to determine whether to include him on the report.

Tenant Letters

Lease Expires

The letter can be limited to those tenants whose lease expiration (in Tenant Profile) fall within the range of dates entered here.

Move In

The letter can be limited to those tenants whose move in dates (in Tenant Profile) fall within the range of dates entered here.

Move Out

The letter can be limited to those tenants whose move out dates (in Tenant Profile) fall within the range of dates entered here.

Status

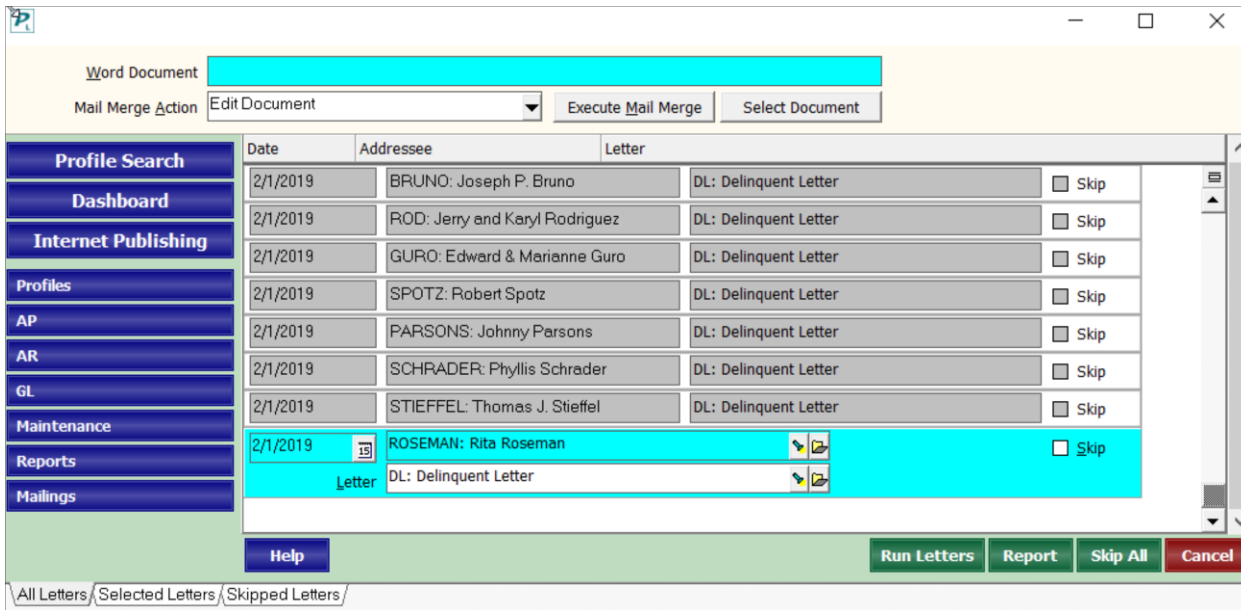

The letter can be limited to those tenants with a specific status: Current, Future or Past.

Limit to Balance

Using the three fields you can create any combination of the following:

<u>Field 1</u>	<u>Field 2</u>	<u>Amount</u>
Balance	Equal to	any dollar amount
Unpaid Charges	Not equal to	any amount
Advances	Less than	
Open Credits	Less than or equal to	
Deposits	Greater than	
	Greater than or equal to	

Once you have the parameters set you can compile.

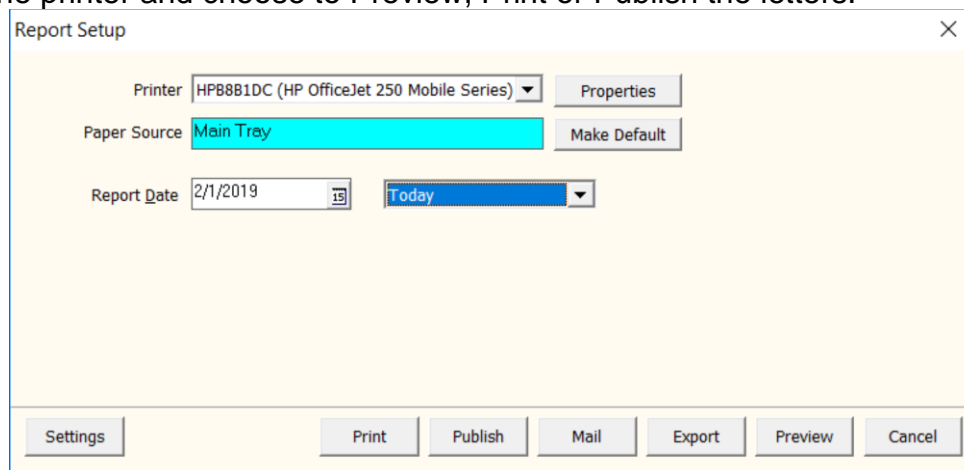

From the Letters screen you can skip any letters you don't want to create. Clicking on the name will show you the letter that will be generated for that owner/tenant/vendor.

You can print a report of the letters by clicking the Report button.

The screenshot shows a report titled "Letters" for "February 1, 2019". The report is a table with columns for "Posting Date", "Recipient", "Letter", and "Skipped". The data is as follows:

Posting Date	Recipient	Letter	Skipped

<p style="text-align: center;">LATE NOTICE</p>	
<p>Friday February 1, 2019</p>	
<p>Dear Joseph P. Bruno:</p>	
<p>Our records show that you owe \$1,040.00. Full payment of \$1,040.00 must be received, together with the late charges, within 5 days from the date of this notice.</p>	
<p>In the event payment is not received your account will be turned over to the attorney for legal action, which will incur additional costs including, but not limited to, interest, legal fees, and late charges. Once the account is turned over to the attorney, we will no longer be involved. Questions and payment should then be directed to the attorney's office.</p>	
<p>In closing, be reminded that your next rent payment is expected in a timely manner. We trust that all payments, as herein specified, will be promptly received to avoid legal action.</p>	
<p>Sincerely,</p>
